virtually from 13th - 15th of March 2021

International Conference on Spirituality and Psychology [ICSP] is a platform for global stakeholders to gather, network and discuss Human Spirituality, Psychology and Mental Health. ICSP offers a unique, culturally and professionally diverse environment, carefully designed to foster personal and professional growth.

This conference: gathers scholars, policy makers, professionals and NGOs representatives and is open to any and all gender, religion, race and beliefs as our diversity in perspective is what helps broaden our knowledge, understanding and actions on the subject at hand.

ICSP2021 offers opportunities to:

Learn

From global experts and get first hand advice from leaders in their fields.

Connect

With international community and global stakeholders: scholars, professionals and policy makers

Grow

By broadening your perspectives on global issues and new connections, inspiration and knowledge
